Dear Mr Albert Liu

I would like to express our sincere gratitude to Sino Suisse Capital Pte Ltd for your generous top-up gift towards the Sino Suisse Internship Grant at our Faculty of Arts and Social Sciences.

Your meaningful contribution will go a long way towards supporting our social work students on placement, enabling them to better equip themselves in aiding the vulnerable members of our society. With your support, we are confident that they will not only succeed but also make a lasting and positive impact on the community.

Once again, thank you for making a difference with NUS, and for sharing our vision to empower the next generation of leaders and changemakers who will shape a brighter future for all.

Warm regards,

Professor Tan Eng Chye  
President
